## INDEPENDENT AUDITORS' REPORT

To the Members of Vancouver Public Library Foundation

We have audited the financial statements of the Vancouver Public Library Foundation, which comprise the statement of financial position as at June 30, 2016, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Vancouver Public Library Foundation as at June 30, 2016 and its results of operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements

Year ended June 30, 2016

## 1. Operations:

The Vancouver Public Library Foundation (the "Foundation") is incorporated under the Canada Corporations Act. The Foundation is registered as a public foundation under the Income Tax Act and, as such, is exempt from income taxes and able to issue charitable donation receipts. The purpose of the Foundation is to raise monies for book acquisitions, equipment needs, and program development at Vancouver Public Library (the "Library").

## 2. Significant accounting policies:

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are as follows:

### (a) Revenue recognition:

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred or the restrictions are met. Unrestricted contributions and investment income are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donations and contributions in-kind are recorded at fair value at the time of receipt when such value can be reasonably determined.

Contributions restricted for the purchase of capital assets are recorded as deferred capital contributions and amortized into capital fund revenue on a straight-line basis, at a rate corresponding to the amortization rate for the related capital assets.

Legacy endowment contributions are recognized as direct increases in net assets. Investment income is recognized as general fund revenue in the period earned, unless the investment income earned on the endowment is restricted, in which case the amount is included in deferred investment income and recognized when the restrictions are met.

### (b) Cash and restricted cash:

Cash consists of cash on hand and funds on deposit readily redeemable with maturity date within ninety days of acquisition, earning interest at the current prevailing rates.

Restricted cash relates to the balance of the legacy endowment fund not included in investments.

## 2. Significant accounting policies (continued):

### (c) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value with any changes being recorded through the statement of operations. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets carried at cost or amortized cost are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. To the extent that impairment is determined, the carrying value of the instrument will be reduced. Impairment losses are reversed to the extent of any recovery in value, not exceeding the initial carrying value.

### (d) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

## 3. Investments:

Investments consist of Guaranteed Investment Certificates with a total amortized cost of \$2,121,827 (2015 - \$1,476,908) with yields of 1.50% to 2.65% and maturity dates from December 2016 to December 2018. Included in restricted cash and investments is restricted cash of \$64,011 (2015 - \$9,779).

## 4. Accounts payable and accrued liabilities:

Included in accounts payable and accrued liabilities are government remittances payable of \$4,419 (2015 - \$5,713), which includes amounts payable for payroll related taxes.

## 5. Deferred investment income:

	2016	2015
Balance, beginning of year	\$ 5,209	\$ 8,880
Add: investment income	5,446	5,209
Less amounts spent and recognized as revenue during the year	(5,209)	(8,880)
Balance, end of year	\$ 5,446	\$ 5,209

## 6. Deferred contributions:

Deferred contributions represent unspent donations externally restricted by the donor for specific uses at the Library. Changes in deferred contributions are as follows:

	2016	2015
Balance, beginning of year	\$ 183,293	\$ 191,075
Restricted contributions received	926,138	259,516
Amount spent and recognized as revenue in the year	(295,898)	(267,298)
Balance, end of year	\$ 813,533	\$ 183,293

Included in deferred contributions are amounts restricted for the capital campaign of \$115,619 (2015 – nil).

## 7. Legacy Endowment Fund:

Donations received in the current year in the amount of \$401,243 (2015 - \$21,088) were specified by the donors as legacy endowment contributions. Included in the legacy endowment fund is \$796,988 (2015 - \$796,988) that has been internally restricted and recorded in the Legacy Fund.

## 8. Related parties:

During the year, the Library, a party related through common board members, transferred to the Foundation \$43,991 (2015 - \$65,485) in donations and other revenues received on behalf of the Foundation. The Foundation also received a grant of \$174,385 from the Library in the current year (2015 - \$197,865). At June 30, 2016, \$5,345 was due from the Library (2015 - \$20,751).

During the year, the Foundation distributed \$297,961 (2015 - \$312,630) to the Library. This amount is included as distribution for charitable purposes in the statement of operations.

During the year, the Foundation paid \$2,012 (2015 - \$4,954) to the Library for expenses incurred on behalf of the Foundation. Certain other administrative costs (including the use of furniture and equipment) of the Foundation are paid for by the Library, the total value of which is not determinable and is not reflected in the financial statements.

## 9. Commitments:

The Foundation has entered into two contracts for fundraising services. The amount committed for the year ending June 30, 2017 totals \$182,348.

## 10. Financial instruments:

### (a) Interest rate risk:

The Foundation is exposed to interest rate risk on its fixed interest rate financial instruments. Fixed interest rate instruments subject the Foundation to a fair value risk. The Foundation is exposed to this type of risk as a result of investments in Guaranteed Investment Certificates ("GICs").

### (b) Credit risk:

The Foundation manages its credit risk on GICs by holding these financial assets at various high credit quality Canadian financial institutions.

The Foundation believes that it is not exposed to significant foreign currency, credit, or liquidity risk arising from its financial instruments. There has been no change to the risk exposures from 2015.
